Nicci Gilbert-Daniels

Nicci Gilbert-Daniels, founding member of the Grammy nominated group Brownstone, and host of new empowering late night series She Speaks Live. As the CEO of NoEgo Entertainment, she created TV One's most popular docu-franchise, R&B Divas which spawned two franchises and seven seasons, and the popular BET Her series, From the BottomUp which recently wrapped its 3rd season. Nicci has worked with superstar Michael Jackson, super producer Tyler Perry, and Queen Latifah. Nicci's business and philanthropic achievements have garnered recognition from a variety of awards including Billboard Music Award, Lincoln Shining Star, Influencer and most recently BET Her awarded her the 2018 "Woman Of Impact." In 2018 Nicci is a filmmaker recently completing her first documentary film Broken Things which addresses child molestation and sexual misconduct and short film Social Conflict which addressed gun violence. Nicci has a passion for community empowerment, she is actively involved in organizations that uplift and support women and girls such as The Center for Black Women's Wellness, Sisters of Today and Tomorrow, Hip Hop Sisters, Beyond The Game, Enough Said and she recently launched her non profit From The Bottom Up Foundation. Nicci's commitment to her career is overshadowed only by her devotion to her family and she has proven that with faith, perseverance, dedication and love you can have a happy productive empowered life.
